

**“Spontaneous Contacts with the Deceased fills an important role in documenting how common and how normal ADCs are, which will vastly help not only people who experience them but also anyone who is bereft at the loss of a loved one.”**

Bruce Greyson, Professor Emeritus, Division of Perceptual Studies,  
University of Virginia, USA

**“This wonderful book brilliantly explains the nature and beneficial impact of spontaneous contacts with the deceased. Highly recommended.”**

Pim van Lommel, author of *Consciousness Beyond Life*

**“Evelyn Elsaesser is exceptionally qualified to comment on the After-Death Communication question as she is a highly respected researcher and author. Each turn of the page is a treasure trove of insights and inspiration. This outstanding book is expertly written, remarkably easy to read, and enthusiastically recommended.”**

Jeffrey Long, author of *Evidence of the Afterlife*

**“This book is a rich goldmine of heart-moving experiences and insights from people of many countries who have received communications from family members and others who have passed away. A highlight of this book is the author’s careful analysis of these remarkable events, suggesting that these experiences are real, and are a precious part of our connection with loved ones on the other side.”**

Marjorie Woollacott, Professor, Institute of Neuroscience,  
University of Oregon, USA

**“This book is a beautiful and well-researched testament to the continuation of our consciousness and the importance of communications from those who have passed. Compelling and powerful!”**

J. Kim Penberthy, Professor, Division of Perceptual Studies,  
University of Virginia, USA

**Evelyn Elsaesser** is a Swiss researcher and author in the field of death-related experiences, notably After-Death Communications (ADCs) and Near-Death Experiences (NDEs). She is the project leader of the 5-year international research project on the Phenomenology and Impact of Spontaneous After-Death Communications.
